PACK 214 NEEDS YOU!!!

Volunteers are needed for several committee positions. Many of our committee members will be stepping down at the end of next year and we will need volunteers to move into their positions. By volunteering now you would be able to work with the current chairperson and learn the position. We currently have an immediate open committee position for a Webelos 1 representative. Please consider volunteering with Pack 214 to help continue our great traditions and incorporate your new ideas! See Susan Vandervet for additional information.
