DEN ADVANCEMENT REPORT

Tigers, Wolves and Bears:

Use this report to submit a scout's advancement for the Bobcat rank. Most new scouts typically have completed this by the November pack meeting and we recognize them at that time. Please have paperwork submitted by **November 9th, 2010**.

The most important date for these Den Leaders will be the February Den Leaders meeting. This will be the submission for rank advancement at the Blue and Gold Banquet. The Blue and Gold Banquet is scheduled for February 18th, 2011. The Den Advancement Report should be turned in no later than **February 15th, 2011**. This will allow ample time to complete all necessary preparation for advancement at Blue and Gold.

After Blue and Gold, this form will be used as needed to submit requests for arrow point awards on a monthly basis at the den leaders meeting or for rank advancement of any scout who did not advance at Blue & Gold.

Webelos 1 & 2: This report should be submitted at the monthly den leaders meeting as the scouts complete their activity pins.

Arrow of Light: Advancement reports for recipients of the Arrow of Light should be submitted no later than **January 11th, 2011**. This information has to be submitted and verified at the council office so we need to have at least a 1 week turn around time to have everything ready for the Pack Meeting on January 18th.

DEN RECOGNITION REPORT-Sports and Academics

This report can be submitted at the monthly den leaders meeting. A signed and dated sports or academic form should be attached to each Recognition Report. Copies of forms are available in the top drawer of the scouting file cabinet as well as links on our Pack website. PACKMASTER DOTNET INSTRUCTIONS – Pack 214 has invested in an online PackMaster Program. This is an excellent tool to check in on your den's advancement throughout the year. You will be able to log onto a password protected site that will allow you to access your den information such as names, addresses, email and advancements. Please see the Cubmaster to set up access.
